

Timeless Prescription Anti-Aging Essentials System

- As age catches up with us, more and more people are concerned about their appearance. They want and need cutting-edge products designed to counteract and meet these challenges.
- Timeless Prescriptions is an advanced anti-aging skincare line that is approved by Dr. Ronald Klatz a recognized authority on anti-aging medicine & research and Dr. Robert Goldman, Co-founder of the American Academy of Anti-Aging Medicine.

Timeless Prescription Anti-aging Essentials System

- Concentrated Timeless Prescription goes well beyond the superficial approach of low concentrated *over-the-counter skincare products and the marketing hype of more expensive product lines that feature exotic ingredients and vague promises.

Timeless Prescription Anti-aging Essentials System

- It provides a sophisticated, scientifically based skincare regimen that targets components of the skin aging process such as:
 - Fine Lines and Wrinkles
 - Dehydrated and Rough Skin
 - Skin Discolorations (sun spots) & *Hyperpigmentation
 - Thinning and Dull Skin
 - Adult Onset Acne and Enlarged Pores

Timeless Prescription Anti-aging Essentials System

The Timeless Anti-Aging system has a simple 3 step process to assist in reversing the signs of aging.

- Soap and *Fragrance –free *Exfoliating Cleanser
- *Hydrating and *Rebalancing Toner w/o alcohol
- *Several Advanced Moisturizing Formulas

Timeless Prescription Facial Exfoliating Cleanser

- Enzymes activated (literally eats away at dead skin cells) along with chamomile, lavender and aloe to sooth the skin.
- pH balanced. All facial cleansers are “detergents” and bring the skin into an alkaline or acidic state. The skin must be returned to its proper balance between 4.5 and 6.2 or inflammation can occur.
- Contains Salicylic Acid, a Beta Hydroxy made from aspirin and beneficial for acne-prone skin conditions

Timeless Prescription MDI Firming Activator

- A multi-functional alcohol & fragrance-free toner with anti-aging ingredients that work together to counteract the signs of aging by:
 - Reducing inflammation and redness
 - Protecting the “acid mantle” (barrier on the surface of the skin formed by sebum (oil) and sweat).
 - Fueling cellular activity (*cell turnover slows with aging)
 - Increasing firmness, elasticity and smoothness
 - Controlling protein related declines in aging skin
 - Increasing *cellular water retention

Timeless Prescription Face Firming Moisturizer with MDI Complex

- An advanced formula that combines multiple concentrated moisturizing ingredients with vitamins and botanical antioxidants to neutralize free radicals and protect “cellular proteins” and lipids (fats) from damage.
- Fights inflammation, increases firmness, elasticity and smoothness of the skin.

Timeless Prescription Ceramide II and Pro Lipid Restorative Treatments

- Ceramide II is a concentrated advanced treatment for dehydrated and brittle skin that incorporates emollient esters, essential oils and humectants to superhydrate and soften the skin.
- Pro Lipid Treatment contains a combination of vitamins, antioxidants, moisturizers, anti-irritants and essential lipids to protect and repair the skin. Contains glycolic acid that boost cell renewal and repairs photo damage giving the skin a younger appearance.

Timeless Prescription Simplexion Serum

- Is a fusion of innovative science combined with optimal potency of ingredients that visibly transform the skin’s appearance.
- Helps reduce the appearance and depth of wrinkles caused by the contractions of facial muscles and expressions especially around the forehead and eyes.
- Improves skin’s thickness, promotes firmness, elasticity, moisturization, smoothness and reduces photo-damage all in one bottle.

Newest Addition: Timeless Prescription Advanced Hydroxy Face Peel & Neutralizer

- Advanced Hydroxy Face Peel is one of the fastest acting, safe and simple methods of rejuvenating & retexturing damaged, uneven skin types over age 25. Also diminishes white and blackheads.
- It is the ideal way to prepare your skin before applying other high quality skincare products in the Timeless, Skintelligence, Vitashield or any other high-end skincare product line.

Timeless Prescription Advanced Hydroxy Face Peel & Neutralizer

- What is it? It's a very superficial peel that's more of an exfoliant and it removes dead skin cells from the surface of the skin to reveal newer, smoother and softer textured skin.
 - Clears away black and whiteheads, *papules and pustules.
 - Promotes even skin coloring
 - Allows for a more effective penetration of active ingredients in other products
 - Helps self tanners apply more evenly
-
- Concentration of 10% Alpha and Beta Hydroxy Acids or a "Cocktail".**
 - AHA-Fruit Acids: Citric acids from lemons, oranges, limes and pineapples. Simple and effective.**
 - Glycolic Acids: Sugar cane. Creates a mild exfoliating action.**
 - Malic Acid: Apples. Mildly invasive peel that opens the pores to expel their sebum (oil) and reduce acne.**
 - Lactic Acid: Sour milk or bilberries. Removes dead skin cells and promotes softer, healthier more radiant skin.**
 - Beta Acids-Salicylic Acid: Willow bark, Sweet birch and wintergreen (aspirin). Smooths rough skin, controls acne, removes superficial blemishes, smooths fine lines, improves sun-damage, corrects pigment problems.**

Timeless Prescription Advanced Hydroxy Face Peel & Neutralizer

- Green tea, a powerful anti-oxidants
- Chamomile extracts to reduce redness and irritation by calming and soothing the skin
- Soy extracts-helps increase the skin's density and firmness
- Neutralizer has pomegranate extract –promotes collagen synthesis
- Grape Seed and Pine Bark extracts and Vitamin C, very powerful anti-oxidants
- Tea Tree Oil-antiseptic and reduces skin irritations.

Other Benefits

- In addition, Advanced Hydroxy Peel and Neutralizer can help to diminish:
- Razor bumps
- Discoloration from the sun's exposure
- Age spots
- Acne
- “Open” clogged pores
- Roughly textured skin
- Control sebum production

Need Botox? Try Pentaxyl

- Pentaxyl is a powerful product that decreases fine lines & and moderate wrinkles
 - Relaxes density in main furrows between the brows, forehead and around eyes
 - Increases collagen production
 - Increases skin firmness, thickness and hydration
 - Improve skin discoloration
 - Reduce the appearance of stretch marks on the body
- All without the irritation associated with retinol creams, painful injections of Botox and the excessive cost of Strivectin D and Botox.
